SCHOOL BOND VOTE SATURDAY

\$150,000 In School Improvements Issue

Voters of the Comanche Independent School District will go the polls here Saturday, August 3, to vote on a proposed \$150,000 bond issue.

The bond issue, if voters approve the measure, will be used to finance repairs on the Comanche High School building, to construct a new Vocational Agriculture building, add a new science department, to the system, and make other repairs and improvements to school property.

Work Underway On New Funeral Home Here

Work is now underway on the construction of a new funeral home in Comanche. Owners are M. L. Gaither and Harry Cloud. The new funeral chapel is located just outside the city limits on the Fort Worth Highway.

Estimated construction and equipment cost will be \$50,000 to \$70,000. The building with 4,600 square feet of floor space is to be of oriental white tile and stucco construction.

Size of the building will be 42x60x72 feet—and the completed chapel will seat 225 persons. The building will be centrally heated and air-conditioned. Indirect lighting is to be installed, and the floor will be carpeted. Both an organ and a piano will be available in the chapel for music for services.

A. M. Ruth, local contractor, is in charge of construction of the building. Construction time will be approximately 90 days.

The new chapel is located on a spacious lot, formerly known as the Loft's place, about 1 1/4 miles east of the Comanche public square on U.S. Highway 67-377, and has 28 large oak trees on the lot. Landscaping plans call for adding shrubbery and carpet grass. A paved parking lot will accommodate 200 automobiles.

Mr. Gaither has been associated in the funeral service business in Comanche since 1941. He is a licensed embalmer and funeral director. His partner, Harry Cloud, who recently sold his Phillips 66 gasoline business here, plans to begin schooling and training to become a mortician within a few months.

"We will also operate an ambulance service," says Mr. Gaither and Mr. Cloud, adding that their new and modern chapel should be open around November 1.

Modern living quarters will also be built on the new site, where Mr. and Mrs. Gaither will make their home.

Methodist Revival Begins Friday

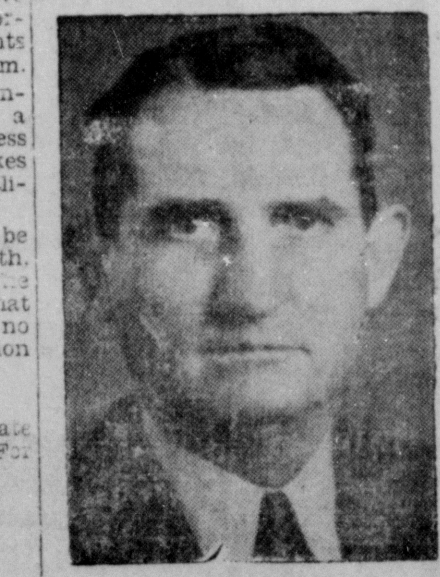

Reverend Robert W. Walker, pastor of the First Methodist Church, Comanche, announced this week that his congregation would engage in a Spiritual Life Crusade beginning Friday evening.

Law Partnership Formed Here

Two veteran lawyers who have often opposed each other in the courtroom, joined forces here this week when Mark Callaway and W. L. Ferrill formed a partnership for the general practice of civil and criminal law.

The new law firm, Callaway & Ferrill, will continue offices in the Callaway location, upstairs in the Comanche National Bank Building.

CALLAWAY

Callaway and Ferrill are both Comanche County natives, and are widely known in law circles. Callaway is a former district attorney of the Brownwood area, and has practiced privately in Brownwood and Comanche offices since retiring from public office. Ferrill retired last January 1 as county attorney.

FERRILL

Before returning to his ranch home, west of Comanche in the Logan's Gap community, he was general attorney for an insurance company and engaged largely in insurance practice. Callaway is a law graduate of the University of Texas, Austin. Ferrill took his law degree from Cumberland University, Lebanon, Tennessee.

CITY OF COMANCHE WATER DEPARTMENT WORKMEN make a 6-inch water tap, which will supply the new plant of Farmers Produce Company, 309 S. Houston. Workmen are using a modern Mueller tapping machine for cutting a 6-inch hole in an eight-inch water main, under 68 pounds per square inch pressure. Tap was completed with no interruption of service. Workmen, standing left to right, are Floyd Steele, Charlie Matthews, Bill McNutt, and Truman Hall. At top left is City Water Superintendent Merlin Jenkins, and Jess Brown, manager of the Farmers Produce, as they look over the job.

New County Agent Now At Work Here

Angus Dickson, 33-year-old Hill County Assistant County Agent, assumed his new duties as Comanche County Agricultural Agent here Thursday morning, August 1.

He succeeds popular Ray Hastings, agent here for the past three years, who is to be the new president of the Iredell State Bank. Mr. Hastings and wife, Mary, who was a teacher in the Comanche schools last year, moved Wednesday to Cransfills Gap, their former home.

The Hastings plan to move on to Iredell or to their farm, located about halfway between Iredell and Cransfills Gap, some ten miles from each town, within a few months.

The new Comanche County Agricultural Agent and wife and their three sons moved to Comanche Tuesday from Hillsboro. They are now at home at 209 W. Neely.

RAY HASTINGS
... new bank president.

County Agent Dickson, who was reared on a Kaufman County farm, and who lost his left eye in a "corner fight" at the age of six, has been in the Extension Service for the past two years. He has served both years as Assistant Agent of Hill County, making an outstanding record.

Dickson is a graduate of Texas A&M College, class of 1948, and is a veteran of World War II. He is an experienced farmer and dairyman, having operated his own Kaufman County dairy farm for 6 years, before joining the Extension Service.

The Dicksons are the parents of three sons, Dick 13, Jerry 10, and Mike 5. They are Methodists.

Funeral Rites Saturday For H. Jack Smith

Funeral rites are to be held at 10 a.m. Saturday, August 3, at the Comanche Funeral Home Chapel for Henry Jack Smith, about 63, who passed away in Comanche Wednesday night. Rev. S. J. Isham, Pastor of the Mount Pleasant Baptist Church, of which the deceased was a member, will have charge of the services.

Burial will be in Oakwood Cemetery.

Mr. Smith, World War I veteran, was a plumber by trade, and lived for many years in Comanche. He was living out in the Sweetwater community at the time of his death. He had been in poor health for the past 18 months and spent much of his time in the hospital.

APPRECIATION AWARD—Angus Dickson Jr. (left), Comanche's County Agent, is pictured as he accepts a Certificate of Appreciation from Kiwanian President at Hillsboro Monday, July 29. The certificate reads as follows: "Angus Dickson Jr. is awarded this certificate of appreciation for his outstanding service rendered to the youth of Hillsboro. The Hillsboro Little League and the Hillsboro Kiwanis Club wish to publicly recognize that through his untiring efforts, he has given unselfishly of his time, energy and ability, and in so serving, he has made a great contribution to his community." The presentation came at the close of the Kiwanis Little League Observance day in Hillsboro. Sixty-one members and guests were present.

Fails Named A&P Manager

Talmadge Fails, assistant manager of the A&P Food Store here for the past five years and with the A&P organization since 1948, has been promoted to manager.

Fails

of the local store. Fails succeeded Lynn Halliburton, who is moving back to Cisco, where he will manage the A&P store there.

Halliburton has served as manager of the local A&P for the past year. The new A&P manager, a graduate of Comanche High School, is married to the former Louise Phifer, daughter of County Commissioner and Mrs. Sam Phifer. The Fails are parents of three sons, Tim 4, Ronnie 2 1/2 and Kent, 3 months. They are at home at 1207 E. Central.

A Message From "Your Pharmacist"

IT IS AMAZING HOW MANY PEOPLE offer advice that only a physician is qualified to give. They require to diagnose an illness.

"THE BUTCHER, THE BAKER, THE CANDLE-STICK MAKER" are all quick to recommend some medicine that cured someone they know. Grandma—God bless her—always has a favorite remedy her grandmother used.

SOMETIMES THEY HELP, but when they don't, the delay in giving proper treatment can give a virus or an infection a foothold that is much harder to overcome.

DON'T GAMBLE WITH YOUR HEALTH. When you are sick let your physician diagnose the cause and prescribe the particular medicine that will help you most.

MORE THAN HALF of the important medicines in present day prescriptions were unknown less than five years ago. That is why you can always depend on a prescription, compounded especially for your particular ailment, to help you worst.

Livestock Ass'n Meeting Changed To August 23

The date of the annual Comanche County Livestock Association Barbecue has been changed from Aug. 9 to Aug. 23. This change was made for this year's meeting when the directors found that their meeting was conflicting with the Annual Peach and Melon Festival at De Leon.

All members of the Association are reminded to bundle the family up and bring them to Lake Eanes Park at 7:00 p.m. Aug. 23 when the annual get-together for the families is held.

H. B. Hale, former All-America football tackle while playing for the TCU Horned Frogs and an ex-FBI agent, will be the special guest speaker, and will give a special firearms demonstration.

Hale, who is a public relations officer at Conval, Fort Worth, and heads Conval's security department, is recognized as one of the nation's foremost pistol shots.

After a short business meeting the barbecue will be served and an interesting program will be presented for the approval of those attending after the meal. Make your plans to attend the meeting now.

Assembly of God Revival To Start

The revival date for the local Assembly of God has been changed to start Sunday night, August 4 at 7:15 o'clock and continues every night beginning at 7:15 o'clock until further announcement.

In addition to the sermon there will be special song services every night and a prayer period for the sick.

Rev. Joe King of Dallas will do the preaching, says Rev. Clyde McCullough, pastor.

Hathcock To View '58 Westinghouse TV's

John M. Hathcock, owner of Hathcock Appliance Co., Comanche and D. B. Burk, maintenance man for the Hathcock firm will be in Fort Worth at Amon Carter Field Friday for the showing of the 1958 Westinghouse Televisions.

The new Westinghouse TV's feature for the first time an automatic fine tuning which electronically tunes itself. It also changes channels, automatically and fine tunes both picture and sound.

The Tube Saver Circuit, another new feature of the '58 Westinghouse, releases power to the tubes gradually which prevents longer trouble-free performance and extends tube life.

Mr. Hathcock has been the Westinghouse dealer in Comanche for over ten years, and is the leading Westinghouse dealer in this area.

Hayes Family Holds Reunion

Since the beginning of this annual reunion back on August 26, 1898, the ancestors of the 14 children of J. L. and Mary Hayes have met each year. Last year the date was changed from the first Wednesday in August to the last Sunday in May hoping that the change to Sunday would enable more to attend.

The 4 surviving children of J. L. and Mary Hayes are: Emma Manning of Gustine; Newt Hayes of Comanche; Dina Cox of Cleburne; and Jess Hayes of Mineral Wells. Those members deceased are Bud, Polly, Annie, Emmet, Sudie, Dollie, Matt, Lewis, Cordie and Vick.

Uncle Newt Hayes was the only one of the original family to attend the Sunday reunion in these

59 years that this reunion has met annually this was the only reunion that Aunt Emma Manning has ever missed. She is now 87 and in good health. Her absence Sunday was because of the illness of her son Claude who lives with her.

Those attending the reunion Sunday May 28 were: Mr. and Mrs. Tracy Hayes; Mr. and Mrs. Jewell Cox; Mr. and Mrs. Perry H. Cox and David; Mr. and Mrs. Ronald Gray and Beverly; all of Brownwood; Mr. and Mrs. Charlie Heather, Nancy and Holly of Gatesville; Mr. and Mrs. Horace Jones, Alan, and Rodger of Sidney; Mr. and Mrs. Ray Jones, Lonnie and Jerry D. Vineyard.

Mr. and Mrs. Roy Hunter and Roy Jack; Mr. and Mrs. George Matthews; Mr. and Mrs. Jim Lester; Mrs. Daisy Perdue; Mr. and Mrs. Oly Hayes; Mr. and Mrs. Lamar Hayes; Debra and Lani; Elton Hayes; Mr. and Mrs. Elton McCullough; Polly, Judy, and Lou, all of Comanche.

Mr. and Mrs. J. Y. Robinson and Sherry Ann of San Angelo; Mr. and Mrs. Wayne Hayes; Mr. and Mrs. Brent Daniel and Brenda; Mr. and Mrs. Edward Hayes; Mr. and Mrs. Harvey Hayes of Gustine; Mr. Wilma McKee; John Manning Okla. Newt Hayes and two visitors, Lexia Jackson and Mrs. Dora Parsons.

Mrs. Louise Murphy Honored With Tea

Berta Brightman assisted by Mrs. Oswell Brightman and Miss Hattie Brightman honored Mrs. Mike Murphy with a tea given in the Oswell Brightman home.

Besides the honoree, the guests included the executive council of the FFA of Comanche High School. This council included the past president Miss Joyce McNutt and the honorary member, Miss Nobia Dunn.

The following members also attended Mrs. Joe Bob Shelton teacher in Brownwood High School; Misses Charlotte Carnes, Wanda Hagood, Betty Loudermilk, June Ferrill, Ann Weeks, Eulene Preston, Joan Rambo and Laura Hilliard.

Mock hat making contest was held with Miss Charlotte Carnes winning. She in turn awarded the prize to Mrs. Murphy. The prize was a joint gift for Mrs.

Mary-Martha Society At Priddy Enjoys Family Picnic

By Mrs. Lee Roy Schwartz Secretary of M. M. S.

The members of the Mary-Martha Society of the Zion Lutheran Church, Priddy, enjoyed an "old fashioned" picnic with their families on July 28th.

The children had a swimming party while the men and ladies played dominos. After the late evening meal consisting of roasted weiners with all the trimmings, everyone gathered around for the singing of old time hymns by the light of lanterns.

The picnic was held on Mr. and Mrs. Liemann's farm.

Murphy presented by the entire executive council.

Revival At Victory Church Opens Sunday

A revival meeting at Victory Baptist Church in Comanche will start Sunday, August 4, with Rev. Preston Frazier of Imperial, as the evangelist.

"Everyone has the cordial invitation to be present at these services," says Rev. J. L. Woolsey, Victory pastor.

New Farm Bureau Secretary

Mrs. Harvey Bowman has been appointed secretary of the Comanche County Farm Bureau to succeed Mrs. Jean Rachels, who has resigned to become lunchroom supervisor in the Comanche schools. Her resignation is effective August 19.

Comanche Visitors

Marvin Foster and his daughter, Mrs. E. Ritter of Los Angeles, Calif. and Mr. and Mrs. Kenneth Dallas, visited Mrs. Walter and the John Robert D. B. Burk families here last Sunday. They were here for the homecoming at State Sunday.

Sgt. Howard Hyatt Starts Jet Training

Staff Sergeant Howard Hyatt who has been stationed at the Air Force Base in Waco for the past four years is on August 2nd, to attend a jet training school for 26 weeks at Rantoul, Illinois.

Toppers Capture Regular Season Little League Title; Saints Annex Tournament Championship Here

Durham Peanut Company's Toppers repeated as regular season Little League champions, by beating the Raiders, 10 to 2, in the final league game of the season last Friday night—to finish with an 7-1, won-lost record, and a game ahead of the second place Saints.

In the opener of last Friday night's games, the John Jolink-managed Dudley Bros. nine grabbed third place in league standings by blasting Higginbotham's of Gustine, 8 to 2.

By a pre-season agreement, the Toppers decided to disband their team after the play in regular season concluded—and did not compete in the Little League tournament, leaving the other four teams to battle it out for

the tournament championship. In the opening round of play last Saturday night—the Saints, behind the steady pitching of Peewee Stewart and Connie Elliott, beat Dudley Bros. handily, 12-2.

Gustine walloped the Raiders, 20 to 10—to gain the finals with the Saints.

Manager Leon Sledge's Saints, with their heavy bats at work, ran up one of their high scoring marks of the season in winning the tournament championship over Gustine, 17 to 5.

In brief presentation ceremonies following the game, the Saints were awarded the coveted City Little League trophy by W. J. Parks, one of the Little League Commissioners. The Comanche Little League is sponsored by the Junior Chamber of Commerce

each year, and has attracted good-sized crowds all season.

The Comanche Little League All-Stars, under the management of Leon Sledge, Harold Northcutt, and John Gleaton, will compete in the Stephenville Invitation Tournament this week-end—and will be host to teams in an All-Star Tournament here next week-end here. Little League play for the season will come to an end the following week, when the local All-Stars journey to Goldthwaite to compete in a tournament.

Little League All-Stars
All-Stars, selected from the four Comanche teams, competing at Stephenville this week-end: Danny Cagle, Troy Seckeninger, Johnny Huett, Charles Smith, Danny Morris, Harold Perkins, Kent Carnes, Larry Biggs, Connie Elliott, Rodney Johnston, Tommie Johnston, Peewee Stewart, Van Evans, John Norris, James Whitworth.

ALL-STAR LITTLE LEAGUE TOURNEY HERE NEXT WEEK

The Comanche All-Star Little League tournament will open here next Wednesday night, August 7—and a fast field of eight top teams of the area are expected.

Play will continue through Saturday night.

Teams are expected from Gustine, Priddy, Goldthwaite, Eastland, Stephenville, Brownwood, and Comanche.

The Jaycees sponsor the annual tournament.

The Comanche All-Stars, now in the tournament at Stephenville, walloped the Polston Feed Mill of Stephenville 17-5, Wednesday afternoon—and will face undefeated Ballou Insurance, Stephenville, Friday afternoon at 6 o'clock.

Danny Cagle started on the mound for the locals and Kent Carnes shared his pitching duties, as the locals won handily. Rodney Johnston, big All-Star first baseman, was the hitting star of the game. He had a home run among his hits. Harold Perkins also had a homer.

Three Comanche Firemen Attend A&M Short Course

Three Comanche Volunteer Fire Department members attended the 20th annual Texas Firemen's Training School at College Station last week.

The program is a part of the Texas A&M College Engineering Extension Service and is sponsored by the State Firemen and Fire Marshals Association.

Demonstrations of all types of residential and industrial fires, emergency rescue operations, radiation detection, emergency driving and gas mask protection were staged on a 24-acre area of the A&M campus.

Attending from Comanche were Assistant Chief W. E. (Ted) Bear, Fire Marshal Jack O'Dell, and Fireman J. W. Stark Jr. O'Dell completed the required fire marshals' course, while Bear and Stark completed the firemen's training course.

A total of 1,028 firemen from 373 Texas towns and 20 states attended the clinic.

Texas' present Capitol building was dedicated in May, 1888.

"ALMOST HUMAN" INVENTION RESTORES JOYS OF HEARING!

Out of the acoustic laboratories of a major electronics manufacturer has come one of the most astounding hearing aid developments of modern times! It is a device so tiny, so compact, it weighs less than half an ounce—yet by using powerful transistors developed by Bell Telephone scientists, it responds to your every wish with "almost human" sensitivity. Gone forever are cords, buttons, ear molds usually found on ordinary hearing aids. It is said the device virtually defies detection on both men and women. This new hearing marvel is so small, users say they forget they're wearing it. Many new sub-miniature refinements make this possible. As a service to the hard of hearing, full information may be obtained from (Dealer's name, address, telephone).

and evening at 8 o'clock. He has secured the services of Dr. Frank L. Turner, General Evangelist of Fort Worth, who will bring the messages and direct the Personal Visitation effort.

Dr. Turner is a native of this section, having been reared in Brown County and is a graduate of Comanche High School. He was for a number of years a pastor in this conference holding such important pastorates as Hamilton, Cisco, Ballinger and churches in Fort Worth. For four years, he was president of McMurry College where he did an outstanding work in paying the indebtedness of the institution and greatly improving its financial and academic standing.

Resigning the presidency of McMurry, he entered the field of evangelism and was appointed a General Evangelist of the Methodist Church. Since that time, he has conducted 230 meetings throughout the Southwest; all the way from Arizona to Kentucky. These meetings have resulted in well over 3,000 conversions and additions to the church while other thousands have reconsecrated their lives to Christ at the altar of the church. Everywhere Dr. Turner has labored, there has been a distinct spiritual uplift. He magnifies the Church and our ministry and challenges men to enlist for Christ and the church as the most effective and rewarding life.

City Improvements Continue

Four years ago the city officials inaugurated a "Public Improvement Program" on a pay as you go policy, by the addition of \$1 to each water account in the city.

The dollar was broken down allocating a certain per cent to the various departments, such as water mains, fire hydrants, Fire Department, and refuse and sanitation.

Since this policy was put into operation many public improvements have been completed and paid for, such as the installation of several thousand feet of water mains, numerous fire hydrants, fire truck and fire hose, as well as the purchase of a bulldozer to cope with the Public Dump Ground just south of the City Limits.

A Sanitary Fill Method of refuse disposal was put into operation where by all refuse delivered to the location is dumped into a specially constructed trench, covered and compacted.

Before this method of refuse disposal was put into operation the Texas State Department of Health was vitally concerned over the health hazards that existed in the open dump ground, as well as hazards existing in the City of Comanche.

In carrying out the long range Policy of Community Health and Sanitation, the city officials have purchased an new Packer Refuse Collection Truck at a cost of \$5,700.

There is now \$2800 on hand that has accumulated in the Sanitation Fund. This money will be applied to the purchase of the equipment, leaving a balance of \$2,900 owed.

This amount will be retired automatically by the special Sanitation Fund.

In the next few weeks, there will be put into operation, a city refuse and garbage Collection program where by the new sanitation truck and operators will pick up all refuse daily in the business district and weekly at all residences.

Business houses will pay for such services according to the amount hauled, generally, \$5 per month. All charges made will be shown as a garbage Collection, on your water cards.

Each place of business and each residence will be required to furnish a garbage can, with a lid, and placed at a convenient location, accessible to the truck operators.

The city program in Collection and disposal of all refuse is essential to the general welfare and health of all the citizens of Comanche.

PRESENT BONDS TO BOY SCOUT TRUST FUND—Mrs. Ora Lee Rice, trustee of the Ed. G. Hall Estate, is pictured here with Judge A. O. Newman, chairman of trustees of the Boy Scout Trust Fund of the Comanche Trail Council, ESA. On the back row from left are E. P. Woodruff, trustee of the Hall Estate, Dean Rippetoe, Hall Estate trustee; Rio Cox, president of Comanche Trail Council and Boy Scout fund trustee, and Joe Galbraith, Comanche Trail Council Scout executive.

Hall Estate Gives \$3,000 To Comanche Trail Trust Fund

Contributions have totaled \$3,000 to a Boy Scout Trust Fund of the Comanche Trail Council since its founding of the fund April 21, 1955. Board members have announced. The trust exists under a charter issued by the National Boy Scout Council of America.

The first donation to the fund was given Dec. 27, 1955, by trustees of the Ed G. Hall Estate. It was \$1,400 in savings bonds. A year later additional bonds amounting to \$1,600 were contributed to the Scout trust by the Hall trustees.

"On behalf of the Boy Scout fund trustees, we consider the trust fund the finest project that has ever been initiated," Judge A. O. Newman, chairman of the Scout fund, said.

He said the Scout fund trustees were hoping gifts would soon reach \$100,000.

Hall Estate trustees are Dean Rippetoe, Mrs. Ora Lee Rice and E. P. Woodruff, all of Brownwood.

Rippetoe, who is a vice president and cashier at First National Bank of Brownwood, said, "The trustees of the Hall Estate thought the Boy Scout trust was a good thing. The main reason we gave the bonds to the trust was because we know it was something which would be permanent."

Worthy Cause

The purpose of the Hall Estate was to make gifts to such worthy causes as the Boy Scout trust, Woodruff added.

Trustees of the Scout fund have been given authority by the declaration of the trust to hold the principal of all money or property given to the fund. However, all persons making gifts may specifically authorize the money to be spent for certain projects.

Actually the money spent is the income from the principal, Joe Galbraith, Comanche Trail Council Scout executive said. Funds are deposited in First National and Citizens National banks of Brownwood.

Six Men Appointed

Six men are currently serving as trustees of the Scout trust fund along with the president of the Comanche Trail Council. They are Dr. J. C. Terrell of Stephenville, Pat Cagle of Comanche, Grady Pipkin of Eastland, L. M. Stephens of Lometa, and W. Wayne Dees and Judge Newman of Brownwood.

Cox, council president, is a member of the board by the nature of his office. Trustees of the trust fund are appointed by the council for life.

Galbraith said contributions to Smith of Winters.

the fund are ways for people to make gifts which will have a lasting benefit. He said he thought the fund and gifts which have been given to it are examples of "Christianity at work," finest means of helping boys and "I feel the trust fund is the future boys secure a program which will lead to the finest in physical, spiritual and mental training, which will be needed in the atomic age," President Cox said.

M. A. Robinett, Brother Of Ed Robinett, Dies

M. A. Robinett, former Gorman football captain, and brother of Eddie Robinett, Comanche, died last week.

The following account is from the Gorman Progress: Milton A. Robinett, 41, died July 18th in Dallas as the result of a heart attack. Funeral services were held Friday afternoon, July 19th, at the First Baptist Church, Gorman, with Rev. Don Turner in charge of services. Burial was in the Gorman Cemetery.

He was born March 1, 1916, in Gorman. He graduated from Gorman High School and was captain of the football team for two years. He attended Ranger Junior College for two years.

He was employed at Foster Drug Store in Gorman when he entered the Army on August 20, 1941.

He was shipped overseas on September 3, 1943, with the Medical Corps of the Army. He served in Normandy, Central Europe, Northern France, Rhineland, and Ardennes. He was awarded 5 Bronze Service Stars, 10 Ribbons and the Good Conduct Medal. He received his Honorable Discharge in Paris, France, to accept employment overseas.

He was employed in the 97th General Hospital in Frankfurt, Germany, as a surgical technician until March, 1945. He was transferred to the Veterans Hospital in Dallas where he was employed at the time of his death.

Milton joined the Baptist Church in Gorman when he was a senior in high school. He attended services regularly whenever he happened to be and remained a loyal Christian.

He was the eldest son of the late Mr. and Mrs. Charlie Robinett of Gorman and is survived by four sisters, Mrs. Lou Gilbert of North Carolina, Mrs. Orla Fox and Mrs. Frankie Davidson of Grand Prairie, and Mrs. Hazel

Decker of Gorman; two brothers, Charlie Ed Robinett of Dallas and Eddie Robinett of Comanche; and two uncles, Albert Byrd of Aolene and Billie Byrd of Houston. He is also survived by six nieces and two nephews.

Priddy Man Charter Member ETSC Fraternity

H. L. Driskill, principal at Priddy School, Priddy, was honored by being chosen one of the

105 charter members from over a 1,000 candidates in the Delta Epsilon Chapter of Phi Delta Kappa—a Professional Fraternity for men in Education—at East Texas State College, Commerce.

Initiation and installation of the new chapter of Phi Delta Kappa held at East Texas State College, Commerce, Friday, July 19, from 3:00-8:30 p.m. Officers elected: Don R. Holder, president, and Thomas F. McCormack, secretary.

This chapter is the fourth in the state and the 101st in the

national. It is the largest chapter in the world according to Maynard Bemis, national executive secretary. Other chapters are located at North Texas State, Texas University, and University of Houston.

The ritual team from Denton instituted another chapter at Texas Tech July 20th at Lubbock.

Mr. Driskill will receive his Master's Degree from ETSC August 23.

The 22nd annual reunion of the Daniel family will be held Aug. 3-4 at Fairview.

The dean of the workshop is Horace M. King of San Antonio.

Is YOUR Family Part OPERATION L. O. D.

OPERATION LIVING OUT DOORS gets underway throughout America the minute hot weather comes along. Families have learned that they can use electrical appliances outside the house to cook and that they can have all the lighting they need on their patios and lawns for games, dining, reading... but only if they have the proper wiring to accommodate these appliances and lights.

How different from Grandmother's or even Mother's day! A few years ago, the family sat on the front porch, but to get a breath of air they sat in semi-darkness. Dining out-of-doors was a "picnic", with meals carted outside laboriously.

Today, electric rotisseries are used outside the home for barbecues, hamburgers and roasts... coffee bubbles freely... effective, well-planned lighting eliminates eyestrain—and this living out-of-doors is all possible through special weather-proof wiring and enough electrical capacity which provide for all inside or outside the house.

To live comfortably in modern fashion, the electrical capacity which must have is 100-ampere entrance, with three separate electrical power utility line in the main family has full HOUSE service. They also have enough to serve the wiring for portable electrical used on the patio or in the yard. Switches which control door lighting should be in convenient positions right in doorway which leads out.

OPERATION L. O. D. requires the services of a electrical contractor. Simply appliances outdoors and ing" makeshift lights around yourself just do out.

Men, if you believe marriage is a share-alike partnership, then let your wife try out those power tools she's been buying you for Father's Day or your birthday.

We're not suggesting that you turn your workshop hideaway into a social gathering spot, but you can ease your mate's burden by showing her how to speed up several time and energy consuming chores.

The ordinary portable electric drill, for example, can be fitted with a wire brush. With it, your wife can quickly clean up a charcoal-blackened barbecue grill, normally a tedious, arm-wearying job. It's best to mount the drill horizontally, so she can manipulate the grill with two free hands. Don't use the electric tool near water, naturally, or with wet hands.

Wire brush attachment makes power drill a kitchen aid.

Put a wool bonnet or cover on your grill or sander and your wife will actually enjoy polishing furniture. She'll discover that there's little comparison between the mirror-smooth finish provided by power polishing and hard-rubbed surfaces. And she'll find it easier to keep highly polished surfaces clean.

She may be so pleased you can persuade her to shine up the car, too. Just make sure she always uses a wax made for use with electric tools.

Now, maybe you're beginning to see the potential of mechanizing the missus. She'll zip through ordinary chores and start taking on chair and table refinishing jobs. With a sander, she'll even think it's fun.

After some practices, you'll be able to share major jobs with her. Besides getting them done faster, you'll get new satisfaction out of your modern "power partnership."

Celebrating Fiftieth Year of Marriage— Mr. and Mrs. Y. W. Holmes Host To Daughters & Families

The first time in ten years, Mrs. Y. W. Holmes have visits at the same time, their three daughters, husbands and families. These include Mrs. Marshall McCallister, Mrs. Albert Whitcomb, Mrs. Louise, Carolyn and Charlotte; Mr. and Mrs. Paul Franklin with daughters Linda and son Stephen. Mr. and Mrs. Franklin live on 175 acre farm about 10 miles from the Whittle Ranch. The front yard being about 100 feet from the house. Mr. and Mrs. McCallister live at Victorville, where he is on the faculty of the University of California.

and Mrs. Holmes' son, Bill, who has been 48 this past June, was fatally injured in a collision with a car when he was 26. He was a salesman for an automobile electric supplies company and was on his way to Laredo to work on a motor testing machine destination to dealers. He was married and lived in Dallas. The daughters received the honors when graduating from Comanche High. The girls and son were members of the local Presbyterian Church. The girls are now attending the University of California. The girls and son were members of the local Presbyterian Church. The girls are now attending the University of California.

and Mrs. Holmes realize that their son thinks his grandchildren, and they know their son's belief their oldest son rates special mention because his summer job, and the fact he has handled it. Holmes, sixteen years old, is the son of Mr. and Mrs. Marshall McCallister, the former Miss Janet Holmes. He has long known just what he wanted to be—a sports writer and commentator. So his summer job by the Victoria Morning Advocate to be its reporter for the Little League games has been a work out a kind of "Heavenly" experience. It has involved being on every play night at the stadium from 7:30 until 9:30; checking the games; playing each evening on its two fields, sometimes being on at the same time; being the official score book; being on the board and some-announcing on the public address system, then back to the stadium to write his column. His appearance under his own by could not make the family because he was busier than ever reporting the all-city games, the regional play-offs, the headlines for pictures, and the baseball statistics, and a lot of feature writing as well.

He has attended tennis tournaments in the cities and brought home trophies. He participated actively in the Presbyterian Fellowship.

NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 5, 1957.

HOUSE JOINT RESOLUTION NO. 47 proposing an amendment to Subsection (a) of Section 62, Article XVI of the Constitution of Texas, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State, BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Subsection (a) of Section 62, Article XVI of the Constitution of the State of Texas be amended so as to read hereafter as follows:

"Section 62. (a) The Legislature shall have the authority to levy taxes to provide a State Retirement, Disability and Death Compensation Fund for the officers and employees of the State, and may make such reasonable inclusions, exclusions, or classifications of officers and employees of this State as it deems advisable. The Legislature may also include officers and employees of judicial districts of the State who are or have been compensated in whole or in part directly or indirectly by the State, and may make such other reasonable inclusions, exclusions, or classification of officers and employees of judicial districts of this State as it deems advisable. Persons participating in a retirement system created pursuant to Section 1-a of Article V of this Constitution shall not be eligible to participate in the Fund authorized in this Subsection, and persons participating in a retirement system created pursuant to Section 48-a of Article III of this Constitution shall not be eligible to participate in the Fund authorized in this Subsection except as permitted by Section 63 of Article XVI of this Constitution. Provided, however, any officer or employee of a county as provided for in Article XVI, Section 62, Subsection (b) of this Constitution, shall not be eligible to participate in the Fund authorized in this Subsection, except as otherwise provided herein. The amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per centum (5%) of the compensation paid to each such person by the State."

"All funds provided from the compensation of such person or by the State of Texas for such Retirement, Disability and Death Compensation Fund, as are received by the Treasury of the State of Texas, shall be invested in bonds of the United States, or in bonds issued by any agency of the United States Government, the payment of the principal of and interest on which is guaranteed by the United States; or in such other securities as are now or hereafter may be permitted by law as investments for the Permanent University Fund or for the Permanent School Fund of this State, under the same limitations and restrictions imposed by the Constitution for investment of those funds and subject to such regulations as the Legislature may provide. However, a sufficient amount of said Fund shall be kept on hand to meet the immediate payment of the amount likely to become due each year out of said Fund, such amount of funds to be kept on hand to be determined by the agency which may be provided by law to administer said Fund."

"Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such legislation shall not be invalid by reason of its anticipatory character."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at a special election to be held throughout the State on the first Tuesday after the first Monday in November, 1957, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment amending Subsection (a) of Section 62, Article XVI of the State Constitution, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State."

"AGAINST the Constitutional Amendment amending Subsection (a) of Section 62, Article XVI of the State Constitution, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said special election and the election held as required by the Constitution and laws of this State.

Comanche Baptist Associational News

By Rev. Guy Self

Eight thousand Southern Baptist men from 30 states are expected to attend the first National Conference of Southern Baptist Men meeting in Oklahoma City, September 18-20.

Baptist brotherhood leaders set a Texas goal of 2,800. Already nearly 500 have registered. Total registrations for the conference now stand at 3,090. Oklahoma tops the list with 1,773.

Texas Baptist Brotherhood secretary L. H. Tapscott said the purpose of the conference is "to provide a challenge for men to live more like a Christian in their daily lives and to give full support to the denominational program."

Among prominent Texas Baptist laymen slated to participate on the program are Governor Price Daniel, Secretary of State Z. B. Steagler, groceryman Howard E. Butt, Jr., and seminary professor T. B. Maston.

Mr. Tapscott emphasized that the conference is for both pastors and laymen. He said the Lower Rio Grande Valley Association is the first to reach its registration goal set by attendance chairman C. C. Kelly. The association has a goal of 8 and 15 have registered.

Mr. Tapscott said a Texas Baptist Brotherhood breakfast will be held during the conference on Friday morning at the Hinkins Hotel. Only 300 tickets are available at a cost of \$1.50 each. He urged men planning to attend to make reservations by writing his office in the Baptist Building, Dallas.

New Uses for Outdoor Towels

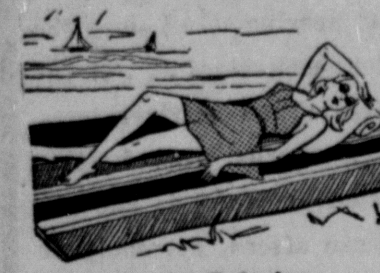

By Ruth Leigh
Director of The Cannon Homemaking Institute

Colorful to Wear... as sarong, stole or beach wrap.

Smart for Decorating... as cafe curtains, drapes, couch cover, wall hangings.

Wonderful for Relaxing... outdoors, indoors, anywhere.

HUGE colorful outdoor towels for beach or sports have lots of practical uses. For fun in the sun and for every-day utility, these towels can make life easier and more comfortable. Choose towels in gay stripes or lively patterns. You'll find colors adaptable for indoor use or outdoor sports fashions.

Useful on Auto Trips... as light blanket, curtain, to protect upholstery.

Handy on Picnics... as tablecloth, wind-break, sun-shelter, awning. (ANS)

Four cold drink, ice cream, cigar and candy stands, numbered 1, 2, 3 and 4, are to be sold separately.

One melon and fruit stand. Two peanut and popcorn stands. One rubber toy and confetti privilege stand to be selected by the committee with privileges for the entire grounds.

One lunch stand. One flying jenny. Plot of ground may be seen at the Paris Smith Drug Store.

The B.Y.P.U. of the First Baptist Church will have the long announced "Lawn Social" Friday night on the spacious lawn of Mrs. S. J. Thomas, if the weather will permit. Delicious ice cream will be sold by the young ladies at 15c a saucer, 2 for 25c. Now come, both young and old. The proceeds will go to buy a much needed organ.

The deposits in the First National Bank are \$96,787.10. Capital and surplus \$68,620.15. Loans \$137,900.74. Cash on hand \$20,560.45. J. B. Herndon, cashier. J. W. Cunningham, J. H. Eddie, and J. M. Higginbotham, Attest Directors.

The Goddess of Justice on the Courthouse tower, who dropped her scales in the fall of 1892 when the full Populist ticket was elected, now has had the scales restored to her outstretched hands. She now looks threateningly towards Gustine, as much as to say, You, with the aid of the misinformed of Comanche

and other boxes of the county, will never do it again. It is all up with you. Justice again reigns at the courthouse.

A. B. Foster has received a letter from his son, Tom, stating that he is pleasantly located at a small sawmill town near Cloudcroft, New Mexico, and is receiving a salary of \$75.00 per month for keeping books and clerking; while his younger brother is getting \$2.00 a day for firing an engine.

Will Baxter won the shooting match held in Comanche last Thursday with a score of 19. Each shooter had 20 blue rocks. Other scores were: G. A. Chilton 14, Ned Holman 14, J. A. Cunningham 15, M. E. Woodward 15, H. H. Vaughn 15, and B. F. Woodward 15.

Our City Rainologist, E. U. Wiesendanger, reports a 2-inch rainfall in two hours last Saturday.

We might as well give up the

idea of making Comanche a railroad town and maybe it is just that they know not God, and as well with all the crime and immorality that is to be found in many railroad towns. Then, do is to secure a good college. We have a good school and we need a good college. You can gain an idea just what a good college would do for Comanche by noting the results of the summer normals that have been held here for about six weeks for the past several summers with more than a hundred teachers attending. Let us all pull together and get a good college.

Erath County broke all records Saturday and pusted the saloons by a majority of over 1,100. One vote at Dublin was 486 dry and 236 wet. At Stephenville the vote was 387 Pro and 200 Anti. The saloon is doomed and the injunction is doing the work.

The price of cotton has now reached 13 cents. Of course, there is practically none in the county at this time. If there is a man in the county who has a bale and does not sell it, he is something that rhymes with "mule".

The old maids of Comanche want a free "male" delivery.

The smallpox case at the jail recently cost the county about \$200.

Dr. B. D. Turner is the man who prepares the prescriptions at Carroll's Corner Drug Store. He is safe and reliable and has no superior in his line of work.

flaming fire taking vengeance on them that know not God, and that obey not the gospel of our Lord Jesus Christ" (II Thessalonians 1:8).

Millions are refusing God's grace and gift of eternal life. They scoff and say, "Where is the promise of his coming? ... all things continue as they were from the beginning" (II Peter 3:4).

But God's Word is true; people will be judged, to their hurt and God's sorrow, for He has said, "I have no pleasure in the death of the wicked; but that the wicked turn from his way and live; turn ye, turn ye from your evil ways; for why will ye die?" (Ezekiel 33:11).

The choice is yours. "Believe on the Lord Jesus Christ and thou shalt be saved" (Acts 16:31).

HOMERALLOWS

The Bible says, St. Luke 6:26: "Woe unto you, when all men speak well of you, For so did their fathers to the false prophets."

It is always fitting and proper to be appreciative of our friends who mean so much to us. No person can go far with their own strength in the weary struggles of life without the blessings of friendship. It is best to remember the pleasant things of life and not go around with a chip on our shoulder like somebody has imposed on us. Often it is best not to speak at all for if we don't say anything we won't say the wrong thing.

Above all avoid character assassins, gossip mongers with the forked tongue of slander tearing into people to their back they don't even know, calling their peculiar, defaming their good name. Nearly every stalwart soul has been a target for the slanderers.

The lay members of various worthy organizations are a mighty factor in carrying on civ-

lization. They are often called the backbone of the community. They often carry the ball in the rough places and hold the organization together while among their selves they bounce their friends in the seat, qualifications or no qualifications. From vast experience in life in a dozen or more organizations most of whom have sat in the front seat, I observed most people like noticed and are by people. And so from here on plan to devote my time to friends who have noticed loved me along life's path.

There was a large attendance at the Cemetery Sunday for the unveiling of Prof. Rogers' monument by the Woodman of The World, C. H. Jenkins of Brownwood delivered the address.

Notice Teachers—Three weeks attendance at the Summer Normal is required before taking the examination instead of 10 days heretofore.

The Comanche Normal opens June 25th and closes July 30. Large strong faculty, 31 day session; four or more counties represented. Board \$10.00 per month and upward.

Indications point to a large attendance at the Summer Normal here. Besides the four counties which have agreed to cooperate, students from five other counties already have signi-

fied their intentions to attend.

"Rest" On Vacation Should Be The Rule

There are some thoughts on late vacations: Don't get into a cross-country driving marathon. Realize that you can't see the whole United States in two weeks. Settle for a leisurely sightseeing trip if you spend the time in travel.

Rest the mind with books if you are going to settle down somewhere; if traveling visit historical places on the way. This kind of visiting will take your mind off present-day worries and troubles.

You use your eyes more on vacation than you do normally. They are also subjected to unusual strain. For tired eyes use sun glasses that are most restful. It is also a good idea to carry a bottle of Murine in the car dashboard compartment. Move off the road when you feel tired and take a nap.

Keep the body relaxed by mild exercise. Don't attempt a strenuous athletic program. If you are going to do a lot of walking, do it in easy stages. Unless you are in really good condition—and

And, finally, remember that the sun will burn the pale city dweller's skin. Use sun tan lotion, and don't stay out too long. A sunburn isn't relaxing. Remember, let the word "rest" rule your vacation at all times.

PROVED! MORE POWER WITH NEW SINCLAIR POWER-X

Road tests by an independent research organization prove that new Sinclair Power-X Gasoline with X-Chemical provides more power and lower operating cost by eliminating power-robbing engine deposits. Tests were equivalent to four years of typical driving.

First Gasoline to Eliminate Power-Robbing Engine Deposits

Exclusive Sinclair **X-Chemical** Does It!

- ▶ Restores Power in Older Cars—Retains Peak Power in New Cars
- ▶ Cuts Operating Costs in All Cars
- ▶ 90% More Effective Than Any Other Gasoline Additive in Preventing Spark Plug Fouling
- ▶ 70% More Effective in Preventing Power Loss from Pre-Ignition Knock
- ▶ All Cars Need It—Only Sinclair Has It

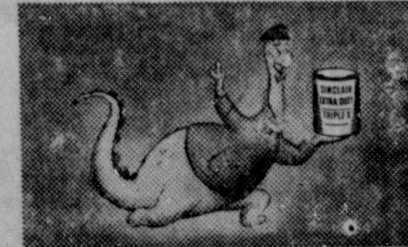

THE PROBLEM—Photo shows how carbon or other harmful combustion deposits build up on pistons. These hard, crusty deposits, which can form in as little as 3,000 miles, cause knock and loss of power.

YOU CAN FEEL the improvement in power and performance after just three tankfuls of new Super-Premium Sinclair Power-X. See your neighborhood Sinclair Dealer and power up with new Power-X.

THE SOLUTION—Exclusive X-Chemical in new Sinclair Power-X Gasoline changes hard, crusty deposits into harmless, powdery material. Result: increased power, lower operating cost.

DINO, the Sinclair Dinosaur, says "Try new Sinclair Extra Duty Triple X Multi-Grade Motor Oil. It can trouble-proof engines for 100,000 miles—the life of your car. It actually adds power you can feel."

Nagging Backache Sleepless Nights

Nagging backache, headache, or muscular aches and pains may come on with over-exertion, emotional upsets or day to day stress and strain. And folks who eat and drink un- wisely sometimes suffer mild bladder irritation... with that restless, uncomfortable feeling.

If you are miserable and worn out because of these discomforts, Doan's Pills often help by their pain relieving action, by their soothing effect to ease bladder irritation, and by their mild diuretic action through the kidneys—tending to increase the output of the 15 miles of kidney tubes. So if nagging backache makes you feel dragged-out, miserable... with restless, sleepless nights... don't wait... try Doan's Pills... get the same happy relief millions have enjoyed for over 60 years. Get Doan's Pills today!

Huett's To Attend State Pharmacy Meet In Dallas

Mr. and Mrs. C. L. Huett, owners of the Service Drug Store, Comanche, will attend Texas Pharmaceutical Association's 78th Annual Convention and Drug Buyers Market slated for August 11-14 at the Statler-Hilton Hotel in Dallas.

Sixteen prominent out of state personalities from the drug and allied industries will join with well known figures in the Texas drug industry for appearances on the Association's business program. In the form of panel discussions, forums, and visual presentations, the business sessions will embrace professional pharmacy; public relations; merchandising; and demonstrations staged to promote improvements in the management and operation of the drug store soda fountain; photographic; cosmetic; and magazine departments.

Delegates will also hear a report of the current status of retail pharmacy on the national scene from John Boyles, president, Rexall Drug Stores, Los Angeles, California; Dr. Joseph B. Burt, president, American Pharmaceutical Association, Lincoln, Nebraska; and Dr. R. L. Strain, editor, Drug Topics, New York, N.Y.

Heid in conjunction with the convention is the annual TPA Drug Buyers Market, showing the exhibits of over 100 lines of fall and holiday merchandise, pharmaceutical products, new drug store fixtures and equipment, and numerous gift items. A feature of the Market is a model cosmetic department, which will reveal the very latest design and merchandising for the enlightenment of retail pharmacists and buyers.

A special selection committee will also name the Texas "Pharmacist of the Year" from among various candidates who have been nominated by their local associations in Texas. Each nominee possesses a record of superior service to his local and state association, unquestionable professional integrity, and a record of outstanding service in the civic affairs of his community. After each candidate is personally interviewed, the committee will vote and name the "Pharmacist of the Year" who will be presented during the convention.

On the social side, the pharmacists and wives will dine and dance to the tunes of nationally known orchestras, and attend TPA's "Cavalcade of Stars," a two hour variety show at Dallas Memorial Auditorium consisting of well known performers from the leading hotels, supper clubs, theatres, and networks in the United States. Wives of the pharmacists will also be entertained at a round of special ladies functions which will include a reception, luncheon, a bingo party, a musical, and style show.

Other organizations meeting with TPA in Dallas are the Drug Travelers Association of Texas; State Chapter 25, W.O.N.A.R.D.; Ladies Auxiliary to TPA; Texas Chapter, American College of Apothecaries; Texas Society of Hospital Pharmacists; and the Alumni Association of the University of Texas, College of Pharmacy.

Officials of Texas Pharmaceutical Association are: President, Wynne Collier, Tahoka; First Vice-President, G. B. Park, Dallas; Second Vice-President, Edd A. Robinson, Abilene; Executive Secretary, C. J. M. Roesch, Austin; Directors: Harry E. Day, Harlingen; Jess M. West, Plainview; Hatton W. Simpson, Lufkin; Matt A. McCall, Lamesa; Homer T. Mulkey, Port Arthur; W. F. Brooks, Sr., Denton; R. L. Brusenhan, San Antonio; Jose R. deLeon, Corpus Christi; Melvin L. Pienning, Taylor; and Advisory Committee Members: M. M. Mobley, Fort Worth; Howard Hestand, Sherman; and Frank H. Reese, Houston.

In Gorman Hospital

J. L. Smith, Comanche, retired school teacher, was taken to a Gorman hospital last week for treatment.

De Leon Band Director

R. C. Tanner, Port Arthur, who has just received a degree in music from Southwestern University, has been elected band director at De Leon. He succeeds Ernest Repass who resigned to join Hal McEntire's Band on an European concert tour.

Here From Dallas

Mr. and Mrs. Stanton Wilhelm and children of Dallas spent the week-end in Comanche with his parents, Mr. and Mrs. Homer Wilhelm.

Returns From Brady Visit

Ernest Wells has returned from Brady where he visited his son-in-law and daughter, Mr. and Mrs. Bill Bennett and their two daughters. Bennett is a State Game Warden at Brady and Mrs. Bennett holds a position in a Brady bank.

Bible School at Lamkin

Baptist Bible School is being held this week in Lamkin.

Basements can become the most useful room in the house.

the first place you can avoid more serious trouble or cost later. Before putting tile on a concrete floor, for example, check every condition of your present cellar before buying a thing. Tell your dealer any peculiarities that exist, especially moisture conditions, even if they seem unimportant. The answer to the following "simple" question from a reader may prevent a poor tiling job.

Q—"We moved into a house with a painted basement concrete floor. We're thinking of putting in a recreation and utility room with asphalt tiling. Can we put the adhesive over the painted floor?"

A.—No, unless the paint is so badly worn that there is no paint "skin" left to prevent adhesion. If the paint job is in pretty good shape, you can't tile over it as is. Mix two pounds of household dye in a gallon of hot water. Soak sawdust in this solution and spread over the painted area. After about 12 hours scrub the floor with hot water. Then scrape off the paint—it should come off easily—with a wide, sharp piece of steel. Wash again with clean water. When it's dry, you can proceed with normal preparations for tiling.

HOME DESIGN HINT: If you're planning to add an enclosed porch to your dwelling, you'll keep inside house ventilation and lighting at their best by putting all or part of the porch at a corner. You'll get more porch exposure that way, as well, meaning more comfort in hot weather.

Mother Here

Kirk Pettit of Corpus Christi, one of the State Supervisors of Vocational Agricultural Instruction, having charge of 35 counties in the Gulf region, spent the week-end in Comanche with his mother, Mrs. P. A. Pettit. He was enroute home from Dallas where he had been attending a state-wide meeting.

OUT OF HOSPITAL

Bob Parker who has been in the Veterans Hospital at Temple for the past two years has been released and is now back home with his parents, Mr. and Mrs. R. E. Parker.

Visiting in Pennsylvania

Mrs. Ernest Wells left last week for Pennsylvania where she is visiting her daughter, Mrs. Harlowe and other relatives. While there she plans to tour interesting points in that section.

MOVE TO ALPINE

Mr. and Mrs. Kenneth Brock and daughter, Kathy moved to Alpine Saturday. Mr. Brock has enrolled in Sul Ross for the Summer session.

Mr. Brock graduated from Tarleton State in June of this year.
